

CALENDAR

to stop using dummy

Monday	Tuesday	Wednesday	Thursday	Friday	Saturday	Sunday

How do I use this calendar?

1. **Download** the file from www.clipp.fr/en
2. I **print the file** (remember not to print on both sides 😊).
3. I personalise the calendar by writing my child's first name at the top.
4. I **cut out the 5 dummies** and stick them on the calendar (choosing the dates with my child, see the instructions for your dummy).
5. I **cut out the gift** and stick it on the day I want to give my child a gift to reward them!

Your child will then be able to tick off each day (or stick a sticker), visualise and take part in this big change to become a grown-up ! 🎉👶

NB: you can also laminate the calendar, put it in a pretty frame, have it personalised by your child... let your creativity talking!
